

Amendments to the Drawings:

The attached drawing sheet includes a change to Figure 1; the figure has been amended to include a "Prior Art" legend.

Attachment: Submittal of Drawing Replacement Sheet

REMARKS/ARGUMENTS

1.) Claim Amendments

The Applicant has amended claims 35, 38 and 51 and cancelled claims 36 and 52. Accordingly, claims 35, 37-51 and 53-66 remain pending in the application.

2.) Drawing Objections

The Examiner objected to Figure 1 of the drawings, indicating that it should be designated with a "prior art" legend. The Applicant submits herewith a drawing replacement sheet that includes a prior art legend on Figure 1.

3.) Specification Objections

The Examiner objected to the abstract of the disclosure, stating that it should be on a separate sheet and be less than 150 words. Although this application is a national stage application filed under 35 U.S.C. §371, which is not subject to the requirements of 37 C.F.R. §1.52(b)(4), the Applicant submits herewith an abstract on a separate sheet.

4.) Allowable Subject Matter

The Examiner objected to each of claims 36-41, 43-45, 52-27 and 59-61 as being dependent upon a rejected base claim, but indicated each of those claims would be allowable if rewritten in independent form, including all of the limitations of their respective base claim and any intervening claims. The Applicant thanks the Examiner for the indication of allowable subject matter. In order to expedite prosecution, the Applicant has amended independent claim 35 to include the allowable subject matter of claim 36, and amended independent claim 51 to include the allowable subject matter of claim 52. Accordingly, independent claims 35 and 51 are now allowable. Furthermore, whereas claims 37-50 and 53-66 are dependent from claims 35 and 51, respectively, and include the limitations thereof, they are also not allowable.

* * *

CONCLUSION

In view of the foregoing amendments and remarks, the Applicant believes all of the claims currently pending in the Application to be in a condition for allowance. The Applicant, therefore, respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for claims 35, 37-51 and 53-66.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
